About Datasea Inc.

Datasea Inc. is a leading provider of products, services, and solutions for enterprise and retail customers in innovative industries, Intelligent Acoustics and 5G multimodal communication, especially focusing on ultrasonic, infrasound and directional sound technology. The Company's advanced R&D technology serves as the core infrastructure and backbone for its products. Its 5G multimodal communication segment operates on a cloud platform based on AI. Datasea leverages cutting-edge technologies in intelligent acoustics, utilizing ultrasonic sterilization to combat viruses and prevent human infections, and is also developing innovations in directional sound and medical ultrasonic cosmetology. In July 2023, Datasea established a wholly-owned subsidiary, Datasea Acoustics LLC, in Delaware, in a strategic move to mark its global presence. This underlies Datasea's commitment to Intelligent Acoustics and its intent to offer leading edge

acoustic solutions to the US market. For additional information, please visit: www.dataseainc.com.
